Regardless of age, we all enjoy the fun of discovering new insights to our natural world. *Nature's Notes* delivers this joy using "bite-sized learning" text and dazzling close-up photos to unlock scores and scores of fascinating secrets. The fast-paced format features mini-articles and with fun and affordable projects as well as backyard explorations revealing hidden natural treasures. *Nature's Notes* unique spiral-binding and flexible jacket make this eye-popping book both sturdy and "outdoor-friendly". Author/photographers Judy Burris and Wayne Richards have had their work featured in national and worldwide magazines. Their award-winning book, *The Secret Lives of Backyard Bugs* is a national nature-category best seller.
