

# Grow Your Own Butterflies!

Sister and brother Judy Burris and Wayne Richards are the authors and photographers of **The Secret Lives of Backyard Bugs**, winner of the National Outdoor Book Award (NOBA) plus the Teacher's Choice Award for "Product of Excellence for the Family", and **The Life Cycles of Butterflies**, which won the Teacher's Choice Award for "Children's Books" as well as "Product of Excellence for the Family." Their latest book **Nature's Notes, Bite-sized Learning for All Ages** teaches families how to enjoy their time spent outdoors together and create their own adventures along the way.

- Come meet the authors!
- Book signing
- Butterfly show-and-tell
- Handle live caterpillars
- Lots of displays to observe
- Question and Answer sessions
- Do birds and butterflies get along?
- Learn what to plant to attract both birds and butterflies to your yard
